Independent Auditors' Report

The Board of Directors
Community Loan Fund of New Jersey, Inc. and Subsidiaries:

We have audited the accompanying consolidated financial statements of Community Loan Fund of New Jersey, Inc. and Subsidiaries (the Organization), which comprise the consolidated statement of financial position as of September 30, 2014, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Loan Fund of New Jersey, Inc. and Subsidiaries as of September 30, 2014, and the changes in their net assets and their cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information included in Schedules 1 through 3 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

(1) Organization

New Jersey Community Capital is the registered trade name utilized by Community Loan Fund of New Jersey, Inc. and its subsidiaries (the Organization) for its financial products, consulting services, and affordable housing preservation and development services.

Community Loan Fund of New Jersey, Inc.

Community Loan Fund of New Jersey, Inc. (CLFNJ) was formed for the purpose of providing capital and technical assistance in order to build the economic self-sufficiency of low-income individuals and communities.

CLFNJ is the sole member of Community Asset Preservation Corporation (CAPC), Community Lending Partners of New Jersey, Inc. (Lending Partners), NJCC 151 MLK Boulevard LLC (151 MLK), Millville High Street LLC (Millville), North Bay Avenue NJCC LLC (North Bay), National Community Capital, LLC (NCC), National Community Capital II, LLC (NCC II), and NCC Holdings, LLC (NCCH). Lending Partners is the sole member of Teen Street Preservation, LLC (Teen Street). CAPC is the sole member of Community Asset Preservation Alliance #2 of Jersey City Urban Renewal, LLC (CAPAJC 2), Community Asset Preservation Alliance of Jersey City #3, LLC (CAPAJC 3), CAPA JC 4, Urban Renewal, Inc. (CAPAJC 4) and CAPC Affordable Rental Fund LLC (CAPC-ARF). Additionally, CLFNJ owns the majority of the voting shares of University Ventures, Inc. (University Ventures) and Hamilton East Associates, LLC (Hamilton East). These entities are consolidated in the Organization's consolidated financial statements.

CLFNJ has a 51.72% non-controlling interest in Operation Neighborhood Recovery and is accounted for using the equity method.

CLFNJ has a 6.34% interest in NJCC Hurricane Sandy Fund 1, LLC (Hurricane Sandy Fund) and a 25.90% interest in NJCC Fund 1, LLC (NJCC Fund 1) and therefore, accounts for these investments using the equity method.

CAPC has a 50% interest in Lincoln Park-CAPC Urban Renewal, LLC (Lincoln Park CAPC) and is accounted for using the equity method.

CLFNJ has formed the following special purpose entities (SPEs): Community Equity Fund of New Jersey I, LLC; NJCC CDE UVS LLC; NJCC CDE RBS LLC; NJCC CDE I LLC; and NJCC CDE II LLC (collectively, NMTC I); NJCC Irvington Avenue, LLC, NJCC CDE Washington Place, LLC; NJCC CDE Essex LLC; NJCC CDE Mercer LLC, and NJCC CDE Newark LLC (collectively, NMTC II); and NJCC CDE Trenton LLC, NJCC CDE Union LLC, NJCC CDE Bergen LLC (collectively, NMTC III). The SPEs are not consolidated in the Organization's consolidated financial statements. CLFNJ serves as the managing member of each of the SPEs in NMTC I, NMTC II, and NMTC III. The limited partners in the SPEs have substantive participating rights, and accordingly, the SPEs are accounted for using the equity method.

Operating Divisions

CLFNJ has aligned its operations into several operating divisions: Community Loan Fund, Proprietary Managed Assets, Third Party Managed Assets, NMTC I, II and III, University Ventures, Hamilton East, CAPC, and Restart and Restart the Shore. A discussion of each follows:

Community Loan Fund

Community Loan Fund provides financing and technical assistance to three primary sectors: housing, community services, and businesses. To maximize its impact, Community Loan Fund provides flexible and creative financing through a broad spectrum of credit offerings to customers who either lack access to capital or cannot afford the cost of capital from conventional sources.

Proprietary Managed Assets

Proprietary Managed Assets (Managed Assets) include loan pools developed by CLFNJ and targeted to specialized sectors as follows:

(a) ***Neighborhood Prosperity Fund***

The purpose of the Neighborhood Prosperity Fund (NPF) is to provide a permanent, flexible source of lending capital for high-impact neighborhood stabilization projects in areas of economic distress. As a revolving loan fund, the capital will be recycled for developers of such projects to continually acquire, renovate, and place troubled properties back on the market.

(b) ***Charter Fund***

In 2007, CLFNJ received a grant from the United States Department of Education (USDOE). The purpose of the Charter Fund is to credit enhance loans, leases, and investments made on behalf of charter schools for their facility needs.

(c) ***ReBuild Fund***

In 2013, the Organization formed the ReBuild Fund to provide quick access to low-interest capital to small businesses in New Jersey that were impacted by Hurricane Sandy.

(d) ***Camden POWER (Camden Fund)***

The Camden Power pool was developed to provide lending capital to eligible business establishments in Camden for the purpose of energy efficiency and health and life safety improvements. CLFNJ received grants and advances from the City of Camden and the NJEDA to fund this pool.

Third Party Managed Assets

Third Party Managed Assets include loan pools administered by CLFNJ.

(a) ***Sustainable Employment and Economic Development Loan Program (SEED Fund)***

During 2000, CLFNJ successfully submitted a proposal to manage a predevelopment loan pool for community economic development projects sponsored by nonprofit organizations and community development corporations. The program is managed on behalf of the Housing and Community Development Network of New Jersey, a trade association serving the community development corporation sector. CLFNJ services and administers the program on behalf of the Housing and Community Development Network of New Jersey.

(b) ***Asbury Park Urban Enterprise Zone Revolving Loan Fund***

In 2003, the City of Asbury Park's Urban Enterprise Zone (UEZ) announced a revolving microloan program with certain services provided by CLFNJ. The program is established to provide low-interest-rate financial assistance of up to \$25,000 to new and established companies in Asbury Park. The UEZ entered into a contractual relationship whereby CLFNJ services and administers the program on behalf of the UEZ.

(c) ***Bank of America Fund (BoFA Fund)***

In 2005, Bank of America capitalized a predevelopment loan fund for housing and real estate initiatives. The program is established to provide low-interest-rate financial assistance to nonprofit and for-profit developers looking to create and preserve affordable housing and develop real estate in low- to moderate-income communities. CLFNJ services and administers the program on behalf of Bank of America.

(d) ***TICIC Portfolio***

In 2013, CLFNJ purchased the rights to service a multiple participant loan portfolio originated and previously serviced by Thrift Institutions Community Investment Corporation of New Jersey (TICIC), an affiliate of the NJ Bankers Association.

(e) ***Gap Funding Initiative (GFI)***

The GFI was launched in 2013. It is a \$15 million grant program funded by the Hurricane Sandy New Jersey Relief Fund and the American Red Cross and administered by New Jersey Community Capital. GFI offered up to \$30,000 (reduced to \$20,000 in August 2014) to help eligible homeowners cover costs of home repairs they face as a result of Hurricane Sandy. During 2014, CLFNJ disbursed \$1,344,000 to eligible recipients.

NMTC

The Organization, through SPEs managed by CLFNJ, provides investment capital and technical assistance to companies spurring revitalization efforts in New Jersey's low-income communities historically lacking access to traditional sources of capital.

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

As a not-for-profit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code), and therefore, without tax liability, CLFNJ cannot itself use New Market Tax Credits (NMTCs). In order to utilize the allocation received by CLFNJ, the Organization suballocates NMTC investment authority to various Limited Liability Companies (LLCs) organized and managed by CLFNJ. These LLCs are Community Development Entities (CDEs). The Organization seeks to suballocate NMTC investment authority to CDEs that provide investments in projects that accomplish goals consistent with the mission of the Organization.

NMTC I

In 2003, CLFNJ received a \$15 million allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions Fund in the first round of a national economic development initiative.

NMTC II

In 2009, CLFNJ received a \$35 million allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions Fund in the seventh round of a national economic development initiative.

NMTC III

In 2014, CLFNJ received a \$30 million allocation of NMTCs from the United States Department of Treasury's Community Development Financial Institutions in the eleventh round of a national economic development initiative.

University Ventures

In 2004, Community Loan Fund of New Jersey, Inc. acquired an 81.5% controlling interest in the voting common stock and a majority interest in the nonvoting common stock of University Ventures, a specialized small businesses investment company (SSBIC) licensed by the United States Small Business Administration.

University Ventures provides capital and managerial assistance to small business, specifically targeting the needs of entrepreneurs who have been denied the opportunity to own and operate a business because of social or economic disadvantage.

Hamilton East

In May 2008, CLFNJ acquired an 85% membership interest in Hamilton East, a limited liability company organized in the State of New Jersey.

Hamilton East was created to acquire, own, manage, operate, develop, improve, lease, maintain, repair, and otherwise deal in and with certain premises situated in the City of Bridgeton, New Jersey. Hamilton East owns, and has available for rent, buildings with 156 residential apartment units. Hamilton East is operating pursuant to two Section 8 contracts, numbers NJ39M000055 and NJ39M000054, which expire September 30, 2030.

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

CAPC

In May 2010, CLFNJ became the sole member of CAPC.

CAPC was created to negotiate bulk purchases of mortgage notes, real estate owned (REO), and other properties from financial institutions and convey the properties in smaller numbers to partnering nonprofit organizations, private institutions, local government agencies, and other partners able to rehabilitate and return the property to productive use.

In 2014, CAPC began to rent renovated homes to low- and moderate-income families. CAPC makes exit (rent vs sell) decisions based on neighborhood real estate activity, surrounding blight, community stability, and local economic factors. In 2014, CAPC transferred 22 properties to rental status valued at \$4,558,662.

ReStart and ReStart the Shore

In 2013, the Organization established its ReStart family of programs as an innovative home preservation initiative designed to prevent foreclosures and stabilize communities. The Organization won the right to purchase three pools of delinquent Federal Housing Administration (FHA) loans from the U.S. Department of Housing and Urban Development (HUD). NJCC Fund 1 acquired a pool of 110 mortgages of properties and NCC Holdings acquired 15 mortgages of properties both located in the greater Newark, New Jersey area. Additionally, the Hurricane Sandy Fund acquired a pool of 517 mortgages of properties located in areas of New Jersey that were impacted by Hurricane Sandy.

NCC Tampa Fund 1, LLC (Tampa Fund) acquired a pool of 119 mortgages of properties located in the greater Tampa, Florida area. CLFNJ is servicing these loans on behalf of Tampa Fund.

NCC and NCC II provide investment management services to NJCC Fund 1, Tampa Fund, Hurricane Sandy Fund, and NCC Holdings. The Organization was also engaged as a loss mitigation advisor by other purchasers of FHA loan pools. The loss mitigation services are provided by NCC II.

(2) Summary of Significant Accounting Policies

The significant accounting policies followed by the Organization are described below:

(a) Accrual Basis

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting.

(b) Basis of Presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that will be met by actions of the Organization and/or the passage of time.

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. All resources granted to the NeighborWorks America Revolving Loan for housing and capital projects must be maintained permanently, unless specific approval is granted by NeighborWorks America to reclassify a portion of the grants to unrestricted net assets.

(c) *Principles of Consolidation*

The consolidated financial statements include the accounts of CLFNJ and its wholly owned subsidiaries Lending Partners, CAPC, 151 MLK, Millville, North Bay, NCC, NCC II, and NCCH, its majority owned subsidiaries, University Ventures and Hamilton East. All intercompany accounts and transactions have been eliminated in consolidation.

(d) *Cash and Cash Equivalents*

Cash equivalents include short-term investments with original maturities of three months or less, and include money market funds that are not maintained by the investment managers.

(e) *Loans Receivable and Allowance for Uncollectible Loans Receivable*

The Organization provides commercial and mortgage loans to entities that support the development, preservation, and operation of housing, community services, and businesses primarily in New Jersey. Loans receivable are stated at unpaid principal balances less an allowance for loan losses. Interest on loans is recognized over the term of the loan and is calculated using the interest method on principal amounts outstanding.

The accrual of interest on loans is discontinued when the loans are 90 days past due unless the credit is well secured and in the process of collection. Past due status is based on the contractual terms of the loan. In all cases, loans are placed on nonaccrual or are charged off at an earlier date if management believes, after considering economic conditions, business conditions, and collection efforts, that collection of principal or interest is considered doubtful.

All interest accrued, but not collected for loans that are placed on nonaccrual or charged off, is reserved and recorded as bad debt expense. The interest on these loans is accounted for on the cash basis until qualifying for return to accrual. Loans are returned to accrual status when all the principal and interest payments contractually due are brought current and future payments are reasonably assured.

The allowance for uncollectible loans receivable is established as losses are estimated to have occurred through a provision for loan losses charged to earnings. Loan losses are charged against the allowance when management believes the uncollectibility of a loan balance is confirmed. Subsequent recoveries, if any, are netted against the loan loss provision.

The allowance for uncollectible loans receivable is evaluated on a regular basis by management and is based upon management's periodic review of the collectibility of the loans in light of historical experience, the nature and volume of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral, and prevailing economic conditions. This evaluation is inherently subjective as it requires estimates that are susceptible to significant revision as more information becomes available.

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

(f) *Troubled Debt Restructured (TDR) Loans*

TDR loans are those loans whose terms have been modified because of deterioration of the financial condition of the borrower. The concessions made by the Organization are principally reductions in interest rate or extensions of maturities. In cases where the loan is collateral dependent, the Organization measures impairment as the difference between the loan and the fair value of the collateral (less cost to sell the collateral) based upon recent appraisals. In general, the Organization obtains appraisals annually or more frequently if economic circumstances dictate.

(g) *Purchased Credit Impaired (PCI) Loans*

PCI loans are initially recorded at fair value based on the transaction price with no allowance for loan loss. Under Accounting Standards Codification Subtopic 310-30, the PCI loans are aggregated and accounted for as pools of loans based on common risk characteristics. The allowance for loan losses on PCI loans is measured at each financial reporting date based on future expected cash flows. This assessment and measurement is performed at the pool level and not at the individual loan level. Accordingly, decreases in expected cash flows resulting from further credit deterioration, on a pool basis, as of such measurement date compared to those originally estimated are recognized by recording a provision and allowance for credit losses on PCI loans. Subsequent increases in the expected cash flows of the loans in each pool would first reduce any allowance for loan losses on PCI loans; and any excess will be accreted prospectively as a yield adjustment. The analysis of expected cash flows for loan pools incorporates expected sale prices of foreclosed property less costs to sell, and estimated principal and interests on the loans prior to foreclosure. Actual cash flows could differ from those expected. The difference between the undiscounted cash flows expected at acquisition and the investment in the PCI loans (the carrying value), or the “accretable yield,” is recognized as interest income over the life of the pool of loans.

(h) *Investments*

The Organization records its investments in marketable securities at fair value based on quoted prices. Program-related investments are accounted for using the cost or equity methods, as appropriate.

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the consolidated statement of financial position.

(i) *Property Held for Sale*

The Organization acquires certain real properties either through purchase or foreclosure which it holds, improves, repairs, and sells. Such properties are valued at the lower of cost or fair value as determined by appraisals, and are \$10,962,214 at September 30, 2014.

(j) *Property and Equipment*

Fixed assets are carried at cost less accumulated depreciation. Contributed assets are recorded at fair value at the date of the gift. Maintenance and minor repair costs are expensed as incurred. Building,

improvements, furniture, and equipment are depreciated on a straight-line basis over their estimated useful lives.

| <u>Description</u> | <u>Estimated life</u> |
|---------------------------|-----------------------|
| Computers and equipment | 3 years |
| Building and improvements | 40 years |

(k) *Financing Costs*

Hamilton East incurred costs in the amount of \$314,038 in relation to financing costs. These costs are included in other assets in the accompanying consolidated statement of financial position. Amortization of the costs is calculated over a 10-year period using the straight-line method. Accumulated amortization at September 30, 2014 was \$205,218. Amortization expense for the year ended September 30, 2014 amounted to \$30,000.

(l) *Unearned Fee Income*

Commitment fees are recorded as unearned fee income when received. The deferred commitment fees are then amortized and recorded as commitment fee income based on the life of the loan. The current portion of unearned fee income is included in accounts payable and accrued expenses in the accompanying consolidated statement of financial position.

(m) *Funds Held in Trust, Escrows, and Other*

Funds held in trust, escrows, and other are held in a high-credit quality financial institution. Funds held in trust, escrows, and other include security deposits. Upon termination of the lease with the tenant, the security deposit and interest earned on the funds are due and payable to the tenant after deducting for any tenant caused damages or rent arrearages. The cash related to these funds is included in restricted cash and amounts to approximately \$698,000.

Funds held in trust also include third-party resources entrusted to the Organization's oversight, generally for its Third Party Managed Assets programs. The Organization does not record the loans receivable associated with these programs in its consolidated financial statements as its responsibility is limited to servicing and/or administering the loans. The cash related to these programs that will be returned within one year is included in cash and cash equivalents and amounts to approximately \$3,961,000. The cash related to these programs that will be returned in more than one year is included in restricted cash and amounts to approximately \$1,098,000.

Additionally, there are two programs that advanced funds with conditions to the Organization. The cash related to these programs amounts to approximately \$2,146,000 and is included in restricted cash. Approximately \$2,282,000 of this balance is included in real property held for sale as the funds were used to renovate properties.

(n) *Contributions, Gifts, and Grants*

Contributions, gifts, and grants are reported in the accompanying consolidated financial statements at their estimated fair value at date of receipt or binding commitment. The Organization records

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

contributions and grants as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions. However, if a restriction is fulfilled in the same time period in which the contribution or grant is received, the Organization reports the support as unrestricted. Unconditional promises to give are recognized as revenues or gains in the period received. Conditional promises to give are recognized as revenue when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value of their net realizable value, using risk-adjusted interest rates applicable to the years in which the promises are received to discount the amounts.

Contributions of donated noncash assets are recorded at their estimated fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair value in the period received.

During the year ended September 30, 2014, the Organization received \$25,000 of donated noncash assets, which is included in contributions, gift, and grants income. There were no contributed services meeting the requirements of recognition in the consolidated financial statements for these periods.

(o) *Income Taxes*

CLFNJ and Lending Partners are exempt from federal income taxes under Section 501(c)(3) of the Code. As nonprofit entities, they are also exempt from New Jersey corporate income taxes.

In 2009, CAPC obtained exemption from federal and state income tax, as an organization described in Section 501(c)(3) of the Code and was generally exempt from income taxes pursuant to Section 501(a) of the Code prior to 2012. In 2012, CAPC was informed that it was no longer a tax-exempt organization under Section 501(a) due to loss of exempt status as a Section 501(c)(3) organization. CAPC is in the process of filing to reinstate its tax-exempt status on a retroactive basis. Management believes it is more likely than not that this tax exemption will be reinstated retroactively to date of formation and will not be liable for income taxes. Therefore, provision for current and deferred income taxes has not been recorded.

University Ventures is a for-profit corporation with federal net operating loss carryover of \$926,968, federal capital loss carryover of \$175,000 and federal loss reserve of \$165,000, all as of December 31, 2013. In addition, there is a state net operating loss carryover of \$922,888 and state loss reserve of \$165,000, as of December 31, 2013. Given the history of losses for University Ventures, a full valuation allowance has been taken for federal and state deferred tax assets.

Hamilton East and Operation Neighborhood Recovery are LLCs treated as partnerships for tax purposes and, as such, the income or loss generated from the LLC is reported by members on their respective returns. Teen Street, CAPAJC 2, CAPAJC 3, CAPC-ARF, 151 MLK, Millville, North Bay, NCC, NCC II, and NCCH is each a single-member LLC treated as a disregarded entity with respect to its sole member; each such member is exempt under Code Section 501(c)(3).

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

CAPAJC 4 was formed as a non-profit New Jersey Corporation during the year ended September 30, 2014. The Organization intends to apply for exemption from federal income taxes under Section 501(c)(3) of the Code. CAPAJC 4 expects the tax-exempt status will be granted and that it will be effective retroactively to the date of inception.

There are certain transactions that could be deemed unrelated business income and would result in a tax liability. Management reviews transactions to estimate potential tax liabilities using a threshold of more likely than not. It is management's estimation that there are no material tax liabilities that need to be recorded at September 30, 2014.

(p) Functional Allocation of Expenses

The cost of providing various programs and other activities has been summarized on a functional basis in the consolidated statement of activities. Costs are allocated between program services, management and general, and fundraising based on an evaluation of the related benefits. Interest expense and rental expense are not included in functional expenses in the consolidated statement of activities, but are considered to be a program activities. For a description of program activities, see note 1 of the consolidated financial statements.

(q) Operating Measure

Nonoperating revenues (expenses) and gains (losses) include changes in noncontrolling interests, and gains (losses) on investments, rental activity related to Hamilton East and other nonrecurring items.

(r) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(3) Changes in Unrestricted Net Assets Attributable to CLFNJ's Controlling Interest and Noncontrolling Interests

(4) Loans Receivable

The Organization, directly or through agreements with other entities, provides credit facilities primarily in the form of loans receivable.

(a) *Community Loan Fund*

Loans are primarily to nonprofit organizations, although loans are also made to for-profit corporations, partnerships, and individuals for business purposes. Loans are generally for terms of three months to seven years.

At September 30, 2014, variable rate loans of \$92,821 had interest rates of 7.0%. At September 30, 2014, fixed rate loans of \$22,385,677 had interest rates ranging from 1.5% to 8.5%.

At September 30, 2014, there are three loans classified as 90 days past due that accrue interest with a total balance of \$617,867. At September 30, 2014, there were four loans, classified as nonaccrual with a total balance of \$1,690,295.

On a case-by-case basis, the Organization may agree to modify the contractual terms of a borrower's loan to assist customers who may be experiencing financial difficulty, as well as preserve the Organization's loan position in the loan. If the borrower is experiencing financial difficulties and a concession has been made at the time of such modification, the loan is classified as a TDR loan.

All TDRs are classified as impaired loans, which are individually evaluated for impairment. At September 30, 2014, there were seven loans with balances that totaled \$3,901,691, that were considered TDR loans.

(b) *Proprietary Managed Assets – NPF*

At September 30, 2014, loans bear interest at an annual rate of 3.0% to 7.0% and are either unsecured or, if applicable, secured by the assets financed. At September 30, 2014, these loans amounted to \$3,367,313.

(c) *Camden POWER*

At September 30, 2014, the loan receivable of \$603,762, bears interest at 2.0% per annum. The loan matures on August 10, 2018.

(d) *University Ventures*

University Ventures has a \$500,000 loan receivable from Red Restaurant Ventures, LLC (Red) under a four-year credit facility at 13.5% interest. In May 2011, Red filed for Chapter 11 bankruptcy. University Ventures performed a lien search and noted that they are the only secured party. As part of the bankruptcy proceedings, Red is required to make monthly payments of \$2,000, which Red has done to date. At September 30, 2014, this loan amounted to \$260,000.

University Ventures also has a \$50,000 loan receivable due on May 20, 2015, with interest payable at 5.0% per annum from Greyston Bakery, Inc. At September 30, 2014, this loan amounted to \$50,000.

(e) Lending Partners

Loans receivable are primarily to nonprofit organizations and for-profit corporations and partnership entities. All loans are collateralized by liens on the assets financed.

Variable rate loans are generally for terms of one to sixty months and generally bear interest rates based on LIBOR. At September 30, 2014, variable rate loans bear interest at 6.0% to 7.75% per annum and amounted to \$2,203,976. Fixed rate loans are generally for twelve to seventy-eight months and bear interest rates based on LIBOR. At September 30, 2014, fixed rate loans bear interest at 6.25% to 8.0% and per annum and amounted to \$7,274,721. At September 30, 2014, there was one loan classified as 90 days past due and are not accruing interest, with a total balance of \$63,701.

At September 30, 2014, there was one loan with a balance of \$403,639 that was considered a TDR loan.

(5) Allowance for Uncollectible Loans Receivable

The following table presents the changes in the allowance for uncollectible loans receivable at September 30, 2014:

| | |
|--|----------------------------|
| Opening balance | \$ 2,060,000 |
| Less write-offs | (323,692) |
| Add provision for uncollectible loan receivable, net | <u>273,692</u> |
| Ending balance | <u><u>\$ 2,010,000</u></u> |

(6) PCI Loans

The following table summarizes information for PCI loans held at September 30, 2014:

| | |

(8) Investments and Fair Value Measurements

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

The fair value hierarchy requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value:

- Level 1: Quoted prices in active markets for identical assets or liabilities
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quotes prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities

COMMUNITY LOAN FUND OF NEW JERSEY, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements

September 30, 2014

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the immediate settlement of the financial asset and do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

The carrying values of the Organization's financial instruments, other than marketable investments, as of September 30, 2014 approximate their estimated fair values. The following methods and assumptions were used to estimate the fair value of the financial instruments: the carrying amounts of cash equivalents, loans receivable, grants receivable, and accounts payable approximates fair value due to the short-term nature of these amounts. The inputs used for the fair value estimates of these financial instruments are unobservable and are considered Level 3 in the fair value hierarchy. The carrying value of notes payable, subordinated notes payable, and mortgage payable approximates fair value and is based on current market prices for the same or similar payables or on the current rates offered to the Organization for debt of the same remaining maturities, which are significant observable inputs and are considered Level 2 in the fair value hierarchy.

The following is a description of the valuation methodologies used for the Organization's investments measured at fair value and included in the fair value hierarchy table. There have been no changes in the methodologies used for periods presented in these financial statements.

Certificates of deposit and mortgage- and asset-backed securities: Valued based on yields currently available on comparable securities of issuers with similar credit rates.

U.S. government securities: Valued at the closing price reported on the active market on which the individual securities or bonds are traded at September 30, 2014.

Money market mutual fund and U.S. equity securities: Valued at the closing prices reported on an active market at September 30, 2014.

(10) HUD Program Restricted Deposits

Hamilton East is subject to a Section 8 Housing Assistance Payments agreement with HUD, and a significant portion of the project's rental income is received from HUD.

Hamilton East performs its services under contract with HUD. Tenants of the project are required to pay rent based upon their income. HUD provides rental supplements to make up the difference between actual rent per unit and the amount the tenant is required to pay. Net support from HUD for the year ended September 30, 2014 was \$985,006. Under the HUD agreement, Hamilton East may not increase gross rents charged to tenants without HUD approval.

Under the agreement with HUD, Hamilton East is permitted to provide distributions to its members from funds provided by rental operations as follows: 1) surplus cash, as defined by HUD, is available for such purposes, 2) the project is in compliance with all outstanding notices of requirements for proper maintenance, and 3) there is no default under the regulatory agreement or under the mortgage note. There were no distributions for the year ended September 30, 2014.

Hamilton East pays a monthly management fee of six percent of gross rents collected, to Alexa Management, for 154 residential units. No management fees are paid for two additional units occupied by the building superintendent and the management office. Total management fee expense was \$69,275 for the year ended September 30, 2014.

Under the terms of the agreement with the mortgagee, Hamilton East is required to fund certain reserve accounts. Hamilton East has segregated a total of \$493,930 as of September 30, 2014, which is included in other assets in the accompanying consolidated statement of financial position and is detailed as follows:

| | | |
|---------------------|----|----------------|
| Operating reserve | \$ | 123,826 |
| Replacement reserve | | 189,441 |
| Tax reserve | | 64,819 |
| Insurance reserve | | 115,844 |
| | \$ | <u>493,930</u> |

The reserve accounts consist of money market accounts, which are stated at fair value. The money market accounts are considered Level 1 financial assets. In accordance with provisions of the Hamilton East mortgage documents, cash is held by Prudential Multifamily Mortgage, Inc. (Prudential) to be used for the replacement of Bridgeton Villas I and II properties with the approval of HUD.

(11) Grants

(a) *Credit Enhancement Grant*

On June 13, 2006, the Organization received a credit enhancement grant from the U.S. Department of Education which was recognized as temporarily restricted revenue at that time. The Organization was awarded \$8,150,000 to use as credit enhancement for the financing of current and future charter schools. The project period began on August 10, 2009 and ends on the date on which all of the grant funds and earnings thereon have been expended for eligible grant project purposes or when financing supported by the grant project has been retired, whichever is later. The grant allows the Organization

to also use the investment income earned on the award. For the year ended September 30, 2014, the net investment return was \$117,138. From the inception of the program through September 30, 2014, \$2,126,413, has been used to credit enhance loans issued by the Organization to charter schools and \$2,738,547 has been used to credit enhance loans issued by outside organizations. As of September 30, 2014, \$3,928,844, respectively, is the amount available to use as credit enhancements.

(b) *NeighborWorks America*

The Organization is a subrecipient of a grant through NeighborWorks America. NeighborWorks America provided a permanently restricted grant in the amount of \$100,000 during the year ended September 30, 2014 for making affordable loans for housing and capital projects. This amount is permanently restricted although proceeds on capital projects, or interest earned, over and above corpus may be transferred to unrestricted net assets furthering the Organization's mission. However, should the Organization become defunct, all remaining grant funds, interest earnings, capital project proceeds, and the loan and capital projects portfolios representing the use of these funds will revert to NeighborWorks America. Additionally, NeighborWorks America provided unrestricted grants totaling \$201,941 during the year ended September 30, 2014.

(c) *Camden POWER (Program Offering Widespread Economic Recovery)*

The Organization received a grant from the New Jersey Economic Environmental Protection Agency through Camden Power in the amount of \$500,000 to provide funds for up to 40 Camden businesses to fund certain professional fees incurred in connection with energy efficiency and health and life safety improvements, including project management fees, development, engineering, and architectural fees.

Additionally, the Organization received advances for the purpose of providing loans to eligible business establishments for the same purpose of energy efficiency and health and life safety improvements. These particular funds make up federal grant money for which a fee is charged by the Organization for each loan disbursed.

(16) Concentrations

Financial instruments that potentially subject the Organization to credit risk include loans receivable from entities amounting to \$36,238,270 at September 30, 2014. As of September 30, 2014, \$23,659,047 of the Organization's loans were to nonprofits, representing approximately 65% of the loans receivable reported in the consolidated statement of financial position. One hundred percent of the Organization's outstanding loans receivable are to entities located in the State of New Jersey.

The Organization maintains cash balances at several financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At various times during the years, the Organization's cash balances exceeded the insured amounts. Management monitors the soundness of the financial institutions.

University Ventures has a \$200,000 equity investment in a bank that it does business with. Management is of the opinion that the bank is well capitalized.

(17) Related Party Transactions

As of September 30, 2014, the Organization had notes payable to various employees and current members of the board of directors totaling \$25,480. Interest of \$306 was paid to these individuals and \$1,936 of contributions were made to the Organization by these individuals during the year ended September 30, 2014.

Hamilton East entered into certain transactions with a related party during the year. The transactions include the management of Hamilton East by Alexa Management (Alexa). As managing agent, there were various expenses that originated with Alexa and were allocated to Hamilton East. Hamilton East reimburses Alexa for those expenses, which include salaries, benefits, insurance, and other expenses. Hamilton East's noncontrolling member is the sole stockholder of Alexa. The amounts paid to Alexa for management fees for the year ended September 30, 2014, was \$69,275.

(18) Employee Benefit Plans

The Organization sponsors a qualified 401(k) profit sharing plan for all eligible employees. The plan allows eligible employees to elect to defer a portion of their annual compensation and have those amounts contributed to the plan. Among other things, the plan provides for: (a) discretionary matching by the Organization of a percentage of employees' contributions; (b) discretionary employer contributions of a percentage of salary; (c) normal retirement age of 65; and (d) vesting in Organization contributions after specified years of service, as defined in the plan. The Organization's contributions to the plan reflected in the accompanying statement of activities for the year ended September 30, 2014, was approximately \$65,908.
