Senior Multi-Family Project Manager

Passionate about groundbreaking community development and mission-driven leadership in a growing organization? Interested in cutting-edge community development, neighborhood revitalization, and developing mission-driven strategies? If so, we want to talk to you!

New Jersey Community Capital (NJCC) is a community development financial institution with a mission to create thriving communities through strategic investments and knowledge. Community Asset Preservation Corporation (CAPC) is the first nonprofit entity equipped with the financial strength, regional reach, and real estate expertise to arrange acquisition of pools of foreclosed properties and distressed assets. CAPC partners with local community developers to ensure properties are redeveloped into quality affordable housing. Fulfilling the needs and improving the quality of life of thousands of individuals and families would not be possible without our talented staff and motivating environment. NJCC and CAPC embrace diversity and equal opportunity in a serious way. We are dedicated to forming a team that represents a variety of backgrounds, perspectives, and skills. The more inclusive we are, the better our work will be.

Job Overview

The Senior Multi-Family Project Manager oversees the organization's efforts of acquiring and rehabilitating multi-family projects.

Qualifications

- Bachelor's degree in Business, Finance, Accounting or Real Estate required. MBA or Master's degree preferred.
- 5-7 years of proven experience in multi-family and commercial projects larger than 10 units.
- Ability to work with financial concepts and perform financial analysis.
- Computer literacy sufficient to operate spreadsheet and word processing applications in Microsoft Suite.

Essential Functions

- Develop and model transactions involving new developments, expansions/renovations, acquisitions and dispositions, operating expenses, taxes, utility charges and rent escalators.
- Forecast and model project pro formas, prepare cost estimates, sources and uses, operating statements, cash flow analysis, and supporting schedules working with the Director of Multi-Family and Commercial Development.

- Manage site control process, review materials related to the purchase of the land, and monitor deadlines in the land purchase contract.
- Develop and negotiate contract terms and contracts with lenders and financial partners.
- Negotiate construction agreements and overseeing the contractual relationships with vendors/contractors to ensure vendor/contractor performance under these agreements.
- Develop and validate construction cost estimates for bid evaluation working with the Director of Multi-Family and Commercial Development and Director of Construction.
- Oversee development schedule and costs in cooperation with construction personnel, ensuring the completion of all construction and renovation development according to the agreed timeframes.
- Work in conjunction with the architect to review design development and construction documents to ensure conformance with the development scope and defined construction standards specifications.
- Coordinate due diligence to evaluate the physical condition of new acquisitions and third-party assignments including, but not limited to, formulating scope of work, creating budgets, and scheduling environmental testing.
- Prepare application materials for any applicable governmental/quasi-governmental funding programs, third-party lenders, and investors, respond to any concerns to resolve deficiencies, prepare and submit post award documentation according to deadlines, and coordinate activities required to obtain final commitments from funding sources.
- Define requirements and ensure all scheduled milestones for planned development activities are in compliance with applicable regulatory and contractual requirements.
- Prepare development status reports for the Director of Multi-Family and Commercial Development.
- Prepare documentation and coordinate closing with all participating parties working with the Director of Multi-Family and Commercial Development.

Work Location

The position is located at 421 Halsey Street, Newark, New Jersey 07102.

Work Schedule

Business hours run from 8:30 a.m. to 5:00 p.m.

Compensation & Benefits

We offer a competitive nonprofit annual salary based on experience and skills (\$75–\$80K), as well as a generous benefits package, including health, dental, disability and life insurance after 30 days of service; 401(k) retirement plan after a year of service; flexible spending accounts, including medical, dependent care, and transportation; and 25 paid leave days, including sick and personal days plus 13 paid holidays.
